

Pinnacle Select Multi-slide Patio Doors

Features and Benefits

- Available in aluminum exterior / wood interior, or aluminum exterior / aluminum interior
- Thermally broken aluminum panels and frames
- Stacking multi-slide system aligns all panels with the stationary panel when in the fully open position; all panels are visible
- Pocket multi-point system incorporates a pocket into the wall cavity to conceal all panels when they are in the fully open position
- Door jamb widths vary depending on the number of panels in the multi-slide door system and the handing
- Up to five panels in any one direction and 10 panels for a bi-parting multi-slide door
- 2-3/8" thick panel construction
- Narrow 3-3/16" wide panels reveal more glass for beautiful views
- Standard and recessed sill options
- Two-point locking gear with two-way adjustable keeper
- End adjust Delrin® rollers
- Flush mount handle
- Lead panel on pocket doors come with a finger pull

Multi-slide Alum Ext. Wood Int. Panel
